Ultra Rugged Shielded Tactical CAT6

Tactical Flexible Category 6 Shielded Cable with
Tactical EtherCon Connections

Not unlike the man of steel himself, the SUPERCAT cables are darn near indestructable. With their ultra-durable rubber jackets, these cables are ready for the harshest touring conditions. You simply won't find a better cable for the job.

- Our highest-quality tactical professional cables
- Ultra-durable rubber jacketing provides ultimate cable protection
- Individually wrapped + coated twisted pairs
- Perfect for mission-critical applications
- Tactical Ethercon
