PVC Entrance Caps with Adapters/Sleeves

NEW! more on reverse

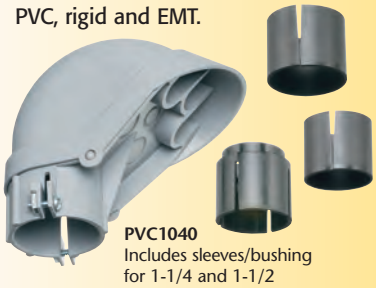
Save Money • Reduce Inventory

Made of UV rated plastic for long outdoor life, Arlington's entrance caps come with adapters that fit a range of sizes, so you'll have *fewer products to stock.*

Our new PVC1020 handles 1/2", 3/4" and 1" PVC, rigid and EMT – one product for all three sizes. Used for 1/2", PVC1020 costs less than a comparably sized aluminum cap. The savings is even greater on the 3/4" and 1" sizes!

PVC1020
*sleeves and bushings shown combined

PVC1040 fits 1-1/4" and 1-1/2" PVC, rigid and EMT.



PVC1040
Includes sleeves/bushing for 1-1/4 and 1-1/2

Save money – and the hassle of stocking extra inventory with *FIVE* 1/2" to 4" clamp-on caps that fit *TEN* trade sizes of rigid, EMT and PVC!
