# 2GIG-CO3-345

WIRELESS CARBON MONOXIDE DETECTOR
PRODUCT SPECIFICATIONS

## 2GIG Technologies is pleased to announce the addition of the Wireless Carbon Monoxide Detector to its family of security and home automation devices.

Essential for the safety of your home and family, 2GIG's Wireless Carbon Monoxide Detector provides an early warning of the presence of potentially harmful carbon monoxide gas in your home. Without requiring any new wiring, the sleek and innovative design can easily be installed while maintaining the desired aesthetics of your home decor.

---
