Specification Sheet

Part Number: CMFO4

Markers are pre-coiled so that they can be snapped into place over the cable without the use of adhesives.

Non-adhesive design means that the markers can be installed at any temperature or over dirty or oily surfaces.

Pre-printed text is protected by a thick layer of clear acrylic which provides UV protection and abrasion resistance.

Fiber Optic Cable Marker, Coiled, 4.0" x 4.0", VL, Orange, 25/pkg

Article Number	597-00042
Type	CMF
Color	White (WH)
Quantity Per	pack
