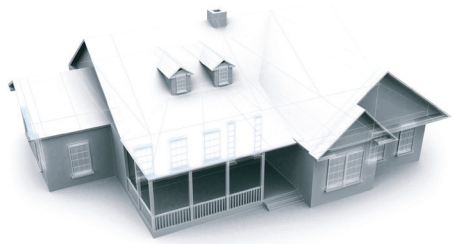
Intuity

INTEGRATING HOME TECHNOLOGY IS SMART. TAKING TOTAL CONTROL OF YOUR HOME TECHNOLOGY? THAT'S GENIUS.

Combining today's top technologies for entertainment, security, comfort, and convenience, Intuity integrates high-performance Legrand subsystems and select third-party devices to create a unified ecosystem. Easily controlled through a single, aesthetic, and intuitive interface, Intuity grants easy management of an entire home with access through both the mobile devices you already love and Intuity's on-wall Command Center.



Intuity App
Putting the power of access and control into the palm of your hand, the easy-to-navigate Intuity App transforms your smartphones and tablets into a portable control center.

Command Center
Blending into any décor with a sleek, recessed design and capacitive touch controls, Intuity's Command Center means management of your lighting, cameras, audio, and more, from a conveniently built-in component.
