XS4 KPBxx | ADVANCED PANIC BAR SOLUTIONS

SALTO advanced panic bar solutions enable panic bar-equipped emergency exit doors to be controlled with an innovative, standalone electronic locking system. SALTO stand-alone electronic locks can be fitted, in combination with adaptor kits, to more than 40 leading panic bars from the most popular manufacturers. Whether your clients have a mortise panic device or a rim panic device, SALTO has the solution. Your clients can take advantage of SALTO's leading access control technology applied to emergency exits.
