

Elite's **Yard Master Series** of outdoor theater screens is ideal for picnics, barbecues or virtually any other outdoor projector presentation imaginable. It is an affordable solution to having a professionally formatted outdoor projection screen that sets up and takes down quickly. Its durable **DynaBrite** projection material is made for the rigors of outdoor use while maintaining color clarity with a wide viewing angle. The Yard Master's easily assembled framework ensures many years of good use and is designed to be the ultimate low-cost solution to a larger than life picture.
