

Starling Tab-Tension 2 CineGrey 5D®

AMBIENT LIGHT REJECTING ELECTRIC PROJECTOR SCREEN

Undoctored image of actual projector presentation

The **Starling Tab-Tension 2 CineGrey 5D®** is an electric motorized retractable projector screen that uses an Ambient Light Rejecting material. The retractable feature provides flexibility to mounting the screen without dedicating its designated location to exclusively one purpose. The ambient light rejecting material is formulated to sustain excellent color reproduction and contrast for enhanced picture quality in environments with little control over room lighting.

Screen Material

- Award-winning CineGrey 5D® Ambient Light Rejecting material
- Enhances contrast, brightness, and color in ambient light room conditions
- Active 3D, Passive 3D, 4K Ultra HD and High Dynamic Range Ready
- Black masking borders absorb projector overshoot and enhances visual contrast
- Extra top black masking border for high ceiling installation

Control System:

- Internal Radio Frequency/Infrared receivers with IR, RF remotes included
- Infrared IR "eye" extension sensor - ideal for concealed installation but still require Infrared control
- 12 volt trigger capable for synchronized screen operation with the projector's power cycle
- Manual control UP/DOWN buttons on exterior of case
- RS-232 capable for serial communication

Design and Installation:

- Elegant arcuate shaped case with a black finish
- Floating brackets allow easy wood stud alignment for a wall or ceiling installation
- Wall mountable remote control cradle included
- Plug & Play ready, no hardwire installation required

Quality and Reliability:

- Tubular motor allows swift operation with a superior weight tolerance and operational lifespan
- Low power consumption
- 2-year warranty from defects in workmanship
- 3rd year warranty offered through ENR-G program (Education, Non-Profit, Religious, and Government/Military)
