## #6 Nylon Walldriller Anchor

**Part number** WD6N  
**Category number** 4465  
**UPC** 781002297710

The Wall Board Anchor is manufactured with a fine centered point that helps guide the anchor into the material. It features a unique sharp thread design that allows it to screw directly into drywall with no pre-drilling. It is also a reusable anchor that can be easily installed with a screwdriver or power driven screwdriver.
