# NUVO

P600 Player

The P600 is the world's first streaming music player designed specifically for the International DIN rail mounting standard. It gives any room instant access to endless music options from networked collections or a variety of internet radio and streaming services. The P600, which is compatible with all other products in the Nuvo Player Portfolio, supplies 2x20 watts of Class D digital amplification for a single zone of powerful audio.

Available in Multi-Zone Kits

NV-P6002Z-NA

INCLUDES:
(2) DIN Rail Players
(1) DIN Rail Mounting Bracket
(1) Power Adapter Cable
(1) 5-Port Gigabit Switch
(2) 12" On-Q CAT5e patch cable
(1) 36" On-Q CAT5e patch cable
(1) 24VDC 60W Power Supply

NV-P6003Z-NA

INCLUDES:
(3) DIN Rail Players
(1) DIN Rail Mounting Bracket
(1) Power Adapter Cable
(1) 5-Port Gigabit Switch
(3) 12" On-Q CAT5e patch cable
(1) 36" On-Q CAT5e patch cable
(1) 24VDC 60W Power Supply

NV-P6004Z-NA

INCLUDES:
(4) DIN Rail Players
(2) DIN Rail Mounting Bracket
(2) Power Adapter Cable
(1) 5-Port Gigabit Switch
(4) 12" On-Q CAT5e patch cable
(1) 36" On-Q CAT5e patch cable
(2) 24VDC 60W Power Supply
