AXIS T98A19-VE Media Converter Cabinet A
A robust cabinet for easy installation of critical system equipment

AXIS T98A19-VE Media Converter Cabinet A is an outdoor-ready cabinet, offering pre-configured components for usage together with fiber installations. The cabinet protects the installation against vandalism and tampering acts, and it is weatherproof against the ingress of dust, water and ice. The Axis camera can be mounted on the door of the cabinet, which is prepared with drill holes to match AXIS P54 network cameras. AXIS T98A19-VE comes with a mounting plate and cable protection. To simplify installation when fiber installation is a requirement, the cabinet comes with a power supply, power cable, electrical safety kit and media converter pre-installed.
