

**Product Overview:** One of Listen’s most popular earpieces, the ear speaker fits easily over the ear. Hard plastic is easy to clean and provides venues with a clean, reusable earpiece. This piece can also be used with hearing aids.

**Highlights:**

- Easily cleaned (solid plastic speaker)
- Single ear clip that doesn’t mess up hair
- Strong volume output
- Use with many of Listen’s receivers
- The receiver’s antenna is built into the headphone cord

**Includes:**

One (1) LA-164 Ear Speaker
