

Product Overview:

Easy to install and compatible with our LT-84* ListenIR Transmitter/Radiator combo, the LPT-A117 Remote Power Supply Kit utilizes a single CAT-5e cable for power transmission. The single-cable design and compact size make for a simple and discrete solution for a wide range of spaces and venues.

*See LT-84 Remote Powering Tech Note in "Support Info".

Highlights:

- Provides power for your Listen Technologies IR Transmitter/Radiator combo
- Uses a single CAT-5e cable for clean, simple installation
