

SOB-UNI Desk Adapter for Monitors and Stations

FEATURES

- Easy Station Installation
- Works with a variety of video monitors and intercom stations
- Heavy-duty welded steel in a White powder coat painted finish
- Rubber feet minimize slipping

SOB-UNI DESK ADAPTER FOR MONITORS AND STATIONS

The Alpha Communications® / Golmar SOB-UNI Series desk adapters are designed to work with a variety of video-intercom monitor stations and/or intercom stations, to allow them to mount on a desk or table top. All SOB-UNI Series desk adapters feature a sloped mounting plate, heavy-duty welded steel with a White powder coat painted finish, and rubber feet to minimize slippage.

An optional model# SOB-UNI CABLE cable can be used with the SOB-UNI, depending on system being installed/used.

ARCHITECTS' AND ENGINEERS' SPECIFICATIONS

The desk adapter(s) shall be Alpha Communications® / Golmar SOB-UNI. Desk adapter(s) shall be heavy-duty welded steel and have a sloped mounting plate. Unit provided with rubber feet, to minimize slippage. Unit shall be finished in a White powder coat painted finish.

Desk adapter(s) can be used with the optional SOB-UNI CABLE, depending on system being installed/used.

Contractor shall install as per manufacturers instructions, and shall observe all local and national electrical codes.
