

Overview

LifeSafety Power battery enclosures provide additional space for backup battery sets. Prebuilt enclosures are available in two different sizes with multiple shelf configurations for flexibility in battery options. Black powdercoat finish matches other LifeSafety Power equipment.

LifeSafety Power battery enclosures come standard with lockset and tamper-switch.

Part No.	Description	Size	Weight
E2-BS1	E2 Enclosure (1) shelf	20H x 16W x 4.5D encl	18 lbs.
