

Ring Stick Up Cam Plug-In

Goes everywhere. Sees everything.

Experience nonstop power for nonstop peace of mind with a motion-activated camera that goes inside or out. It installs in minutes and plugs into standard power outlets so you'll never have to worry about charging a battery. Wherever you are, Stick Up Cam Plug-In lets you check in on home at anytime.

Mount Stick Up Cam Plug-In outside on a wall to watch over your yard, or place it inside on a flat surface to see who comes and goes. Inside or out, Stick Up Cam Plug-In makes sure you never miss a thing.
