

## MR50 MERCURY BOARD ENCLOSURE SERIES

Mier enclosures accommodate a wide variety of applications, and give installers unlimited options. These MR50 enclosures are designed for the current Mercury MR50 boards on the market, allowing installers to mount the boards directly on standoffs in the enclosure! NOTE: the Mercury Boards and Readers shown in photos are not included.

All MR50 Series enclosures include a rugged CRS construction with a one-piece piano hinge for strength, standoffs to fit MR50 boards, holes for quick and easy mounting, durable gray powder-coat finish, a Mier cam lock (1/4-turn latch versions also available), and multiple, conveniently located electrical knockouts

### **BW-MR50SMBOX:**

- **SURFACE-MOUNT version** in Gray, 5.25"W x 5.25"H x 2.0"D with a solid door, lock, standoffs in place to fit a Mercury MR50 board, and convenient knockout placement. (Mercury Board not included)
