

Configuration:

LA-317-01 4-Unit Portable RF Product Charging/Carrying Case (North America)*

LA-317-02 4-Unit Portable RF Product Charging/Carrying Case (Asia, UK)*

LA-317-03 4-Unit Portable RF Product Charging/Carrying Case (Euro)*

LA-317-04 4-Unit Portable RF Product Charging/Carrying Case (Australia)*

*01, 02, 03, and 04 designation refers to international plug type (type B, G, C, and I) for the power supply.

Product Overview:

Designed and built to conveniently store and charge up to four (4) Listen RF portable devices (LT-700, LR-200, LR-300, LR-400, or LR-500), the LA-317 is perfect for temporary or mobile systems. The case features individual earphone storage slots for easy cord management, a large pocket for storing the power supply and accessories, and a rugged, durable design. (NOTE: Case not suitable as a shipping container)

Highlights:

- Secure storage slots for up to four (4) Listen RF devices
- Automatically turns off power to each unit once it is fully charged
- Individual earphone storage slots and a large accessory pocket for carrying and stowing the power supply, headsets, and more
- Sturdy, durable construction that can stand up to frequent use
- Includes a shoulder strap for easy carrying

Includes:

One (1) LA-317 4-Unit Portable RF Product Charging/Carrying Case
One (1) Shoulder Strap

One (1) Power Supply
