UL LISTED

5 YEAR WARRANTY

Key Features

EZ Wizards - For ease of use and setup

Camera: quickly discover and install all Speco IP cameras

Setup: for quick setup of general settings

Network: network setup and port forwarding

Record: quickly setup recording resolutions and recording type

Search: quickly search for events from thumbnails

Copy: quickly copy what you are playing onto a USB flash drive

- Supports up to 4K (3840x2160) resolution for live view, recording, and playback
- Plug & play feature for Speco IP cameras with isolated traffic on the PoE ports
- Find and install IP cameras on the local network without needing to locate the cameras manually
- Supports H.265 and H.264 streams
- Supports different recording types: Continuous, Motion detection, and Video loss
- Create bookmarks on playback for easy reference
- Instant playback for individual channels directly from the live view screen
- Swap tiles in live view

Additional Features

- Built-in S.M.A.R.T technology (Self-Monitoring, Analysis and Reporting Technology for HDD)
- 2-way audio communication
- Digital Deterrent® for triggering audio message via an event
- ONVIF support*
- UL Listed

*Works with majority of cameras that are conformant with ONVIF profile S

Optional Accessory

ERS1V
Vented Rack Shelf
