Reliability Trusted by Millions

Peace of Mind. Comfort and Convenience.

It's what you expect from your home technology, and it's why millions of families trust 2GIG.

Now, 2GIG elevates your home security and automation even further with the all-in-one eSeries smart home security control system. With fully encrypted sensors, you get enhanced peace of mind while enjoying the comfort and convenience of easy home control. Top it off with our best-in-class audio and you experience the most advanced, trusted and reliable system yet.

e

Discover the Possibilities

2GIG GC3e makes a sleek statement on your wall, and its ultra-intuitive, large touchscreen makes smart home security and control easy. Its one-touch arming ensures your home is secure and energy efficient while you're away. And, when not in use, the screen turns into a photo album showcasing your favorite memories.

With our unique **Smart Areas™** feature, you can independently secure different parts of your home—like an in-law unit or home office. Or if you're expecting a package, use your smartphone to let the delivery person into the garage while keeping the rest of your home secure.

Video & Slide Show
GC3e

Out and about and not sure you locked the door or armed your system? Check remotely with your smartphone.

Wondering if your kids are home from school? The GC3e notifies you on your smartphone when the system disarms.

Peace of mind and more, from 2GIG.

Products that deliver this solution:

- GC3e Security Panel
- SP1 or SP2
- Door/Window Sensors
- Z-Wave Lock
- Garage Door Controller
- Alarm.com Backend Provider
- Point Central
(Enterprise Alarm.com)

The “e” You See

Throughout this catalog you will see an “e” within a bright green triangle at the top right corner of a product.

This means the product is encrypted, ensuring your sensors can't be disabled or taken over, improving the peace of mind and trusted reliability for your home.

eSeries Security Panels

e

GC2e

2GIG-GC2E-345

Security & Control Panel

- New 5" Capacitive Touchscreen
- 4 Wireless Keypads
- 1 Hardwire Zone
- 60 Wireless Zones
- 64 User Codes
- 8 Wireless Key Fobs
- Full Voice Response
- Built in Z-Wave Radio with S2 Security
- Alarm.com
- SecureNet
- Remote Over-the-Air Downloading*
- Central Station Format – Contact ID
- Dimensions: 8.5" W x 6.0" H x 1.56" D

GC3e

2GIG-GC3E-345

Premium Security & Control Panel

- 7" Capacitive Touchscreen
- 8 Keypads
- 2 Wired Zones; 100 Wireless Zones
- 100 Users
- Full Voice Response
- Built-In Dual Band WiFi 802.11
- Built-in Z-Wave Radio with S2 Security
- Alarm.com
- Alarm.com Point Central
- Central Station Format - Contact ID
- Chime by Zone
- User Replaceable Cell Radio
- Firmware Updates (Remote Over-the-Air and USB)
- Dimensions: 8.88" W x 5.70" H x 1.36" D

Secondary Keypads

Control throughout your entire home.

SP1

2GIG-SP1-GC3

Full Security and Automation Control

- Full control of security, smart home, and Smart Areas
- WiFi
- 7" Capacitive Touchscreen
- Resolution: 800 x 480 pixels
- One-touch arming
- Time and date display
- Firmware Updates (Remote Over-the-Air and USB)
- Dimensions: 8.9" W x 5.7" H x 1.25" D
- Works with GC3 and **GC3e**

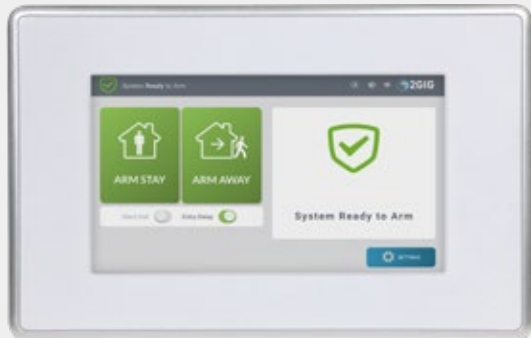

TS1-E*

2GIG-TS1-E

- Full Color Touchscreen Interface
- Power: 14 VAC using included AC adapter
- Display: 4.3" QVGA full color
- Range: 500 feet line of site
- Dimensions: 6.7" W x 4.3" H x 0.8" D
- Works with GC2 and **GC2e**

* 2GIG-XCVR2-345 is required on GC2/GC2e. 2GIG-XCVR2-345 is incompatible with eSeries sensors.

SP2

2GIG-SP2-GC3

Limited Security Control

- 7" Full-Color Capacitive Touchscreen
- WiFi
- Resolution: 1024 x 600 pixels
- Firmware Updates (Remote Over-the-Air)
- One-touch arming
- Dimensions: 8.9" W x 5.7" H x 0.95" D
- Works with GC3 and **GC3e**

PAD1

2GIG-PAD1-345

- Wireless Keypad
- Arms system in Stay or Away Mode
- Disarms system
- Fire and Panic emergency functions
- Lithium batteries
- Transmits 345
- ETL Listed
- Works with GC2/**GC2e** and GC3/**GC3e**

Where More is More

With our 2GIG GC2e, enjoy the proven performance and the trustworthiness of the original GC2 panel, along with new features that make your home's security and control even better. With improvements like eSeries encrypted compatibility for enhanced security, an entirely new sleek design, a larger capacitive touch screen, and our best-in-class 2-way voice, get the peace of mind you deserve with a 2GIG GC2e experience.

5" Capacitive
Touchscreen

Convenient features include whole-home smoke detection, remote control, and protection of all that matters most.

Protect an outdoor shed, know when a gun has been moved, or a window has been opened. Not sure if you turned down the heat and locked the door? No problem. Check remotely with your smartphone. All this and more, from 2GIG.

Products that deliver this solution:

- GC2e Security Panel
- Firefighter™ Smoke Alarm Detector
- Outdoor Sensor
- Z-Wave Lock
- Door/Window Sensors
- Gun Motion Detector
- Smart Thermostat
- Alarm.com or Securenet Backend

GC2e Security Panel Kit

e

2GIG-GC2e-345-K31

Kit includes:

- GC2e Security Panel
- (3) DW10e sensors
- (1) PIRe

GC3e Security Panel Kit

e

2GIG-GC3e-345-K31

Kit includes:

- GC3e Premium Security Panel
- (3) DW10e sensors
- (1) PIRe

Life Safety Sensors

Security is our priority, and we have the products to create the best solution for each and every home or business.

From door and window protection, to motion and smoke/CO monitoring, we have you covered. And with easy, cost-effective products like the innovative FireFighter™ Smoke Alarm Detector, you get whole-home protection without breaking the bank.

Protect more with GC3e Smart Areas.

Makes it easy to set up and use zone partitioning.

e

Thin Door/Window Contact

2GIG-DW10E-345

- Encrypted Protocol
- For narrow applications, only 3/4" wide
- Fully supervised
- Rare earth magnet
- Supports internal and external contacts
- Can be used for two zones of protection
- Lithium battery
- ETL listed

Non-encrypted model #2GIG-DW10-345

e

4-Button Key Ring Remote

2GIG-KEY2E-345

- Encrypted Protocol
- Arms system in Stay or Away Mode
- Disarms system
- Auxiliary output and emergency functions
- Lithium battery
- ETL listed

Non-encrypted model # 2GIG-KEY2-345

e

Recessed Door Contact

2GIG-DW20E-345

- Encrypted Protocol
- Discreet, almost invisible from plain sight
- Compact size, only 2-1/2" long
- Fully supervised
- Rare earth magnet
- Lithium battery
- ETL listed

Non-encrypted model #2GIG-DW20R-345

e

Panic Button Remote

2GIG-PANIC1E-345

- For triggering emergency alarm
- Mounting options: lanyard, wristband, wall mount, belt clip, car-visor clip
- One lithium coin battery included
- Water resistant
- Supervisable

Non-encrypted model # 2GIG-PANIC1-345

e

Motion Detector

2GIG-PIR1E-345

- Encrypted Protocol
- Quad element sensor with 30'x 50' range
- Adjustable sensitivity levels
- Up to 55 lb. pet immune
- 90-degree look down
- Lithium battery
- ETL listed

Non-encrypted model #2GIG-PIR1-345

Smoke, Heat, & Freeze Detector

2GIG-SMKT3-345

- Ability to separate the 3 detection features
- Self-contained sounder
- Supervised transmitter and status LED
- Easy installation and programming

e

Glass Break Detector

2GIG-GB1E-345

- Encrypted Protocol
- Monitors for the sound of breaking glass
- Wall or ceiling mountable
- Suitable for most door/window glass materials
- Two test LEDs
- Dual shatter recognition technology
- Lithium battery
- ETL listed

Non-encrypted model #2GIG-GB1-345

Smoke Detector Sensor / Transmitter

2GIG-SDS1-345

- Installs in between wall/ceiling and existing hardwired smoke detector
- Converts hardwired interconnected smoke detector systems to work with wireless alarm panels
- Backup battery to send alarm transmissions in the event of a power failure
- Easy to see device status indicators

FireFighter™ Audio Detector
2GIG-FF1-345

- 2GIG eSeries Panel Required
- Mount within 6 inches of a UL certified smoke or CO detector
- Does not detect the presence of smoke, heat, carbon monoxide or fire directly
- Battery powered; CR123A included

Fall Detector Pendant
2GIG-F1-345

- For triggering an emergency alarm
- Multi-axes sensor intelligence recognizes most falls
- 3D sensing is designed to send an alert when a fall is detected
- IPX7 water resistant

Wireless Indoor Repeater
2GIG-RPTR1-345

- Repeats 2GIG and 5800 Honeywell 345MHz signals
- Lithium battery included
- Plug & Play – plug it in and it starts repeating
- Optional zone programming for tamper, AC power, and low battery supervision

Wall-Mounted Help Button
2GIG-WMT1-345

- Simple to use wall-mounted help button
- For triggering an emergency alarm
- Two cover options, subtle blue and bright red

Wireless Tilt Sensor
2GIG-TILT1E-345

- Sensor transmits an alert when tipped 45° off vertical
- Restore signal is sent when the sensor is returned to less than 45°
- Lithium battery included
- Screw, adhesive mount hardware included

Non-encrypted model # 2GIG-TILT1-345

Personal Help Button Pendant-Wristband
2GIG-PHB1-345

- For triggering an emergency alarm
- Convertible model with an option to wear it as a pendant or on the wrist
- IPX7 water resistant

Takeover Module
2GIG-TAKE1-345

- Converts hardwired loops into as many as 8 wireless zones
- Converts 8 zones per module (additional modules may be added)
- Operates at 9-16 VDC, 50 mA
- Can be powered by and use backup battery of an existing 3rd party Control Panel

Notification Sensors

Our unique notification sensors enable more smart security and control than ever before. These easy-to-install solutions add multiple unique touch points to the 2GIG system.

The new notification sensors enable homeowners to be notified earlier in the “event cycle” such as when the stove is left on (before something catches fire) or when a leak is detected (before flooding damage occurs).

Stove and Grill Guard
2GIG-STVGRL1-345

- Notification to panel when a knob on grill/stove is turned at least 20° from the default “off” position
- Remote e-mail/text notification
- Water resistant
- Includes multiple magnet sleeves to fit the majority of stoves and grills
- 2GIG and Honeywell compatible

Water Leak Detector
2GIG-FT6E-345

- Sends trouble alert to the panel when ambient temperature exceeds 91°F or drops below 41°F
- Dual-source protection against water leaks
 - Drip notification when placed under a water source
 - Notification when water is pooled under it
- Easy installation; No screws or tools needed

Non-encrypted model # 2GIG-FT6-345

Outdoor Wireless Contact Sensor
2GIG-DW30-345

- Weather-proof and water-resistant
-40°F to 150°F (-40°C to +66°C)
- 0% to 100% relative humidity
- Magnet Gap: 1.25" on wood/vinyl
- Two long life AA lithium batteries
- Tamper protected
- Screw mountable

Gun Motion Detector
2GIG-GNGRD1-345

- Provides an alert when your gun is moved (tilt)
- 3-digit combination trigger guard deters unintended use
- California Gun Safety (DOJ) Device Certified

Flood and Temperature Sensor
2GIG-FT1E-345

e

- Encrypted Protocol
- Detects standing water that reaches the sensor probe and notifies the panel
- Sends trouble alert to the panel when the ambient temperature exceeds 84° F or falls below 42° F
- ETL Listed

Non-encrypted model #2GIG-FT1-345

Wireless Doorbell
2GIG-DBELL1-345

- Simple wireless installation (can be hard-wired)
- 350 ft. range (open air)
- 11 selectable chimes
- Doorbell can illuminate Z-Wave lights
- Receive text/email from Alarm.com when doorbell engaged
- Low battery indicator
- Battery included

Automation Sensors

GoControl products are easy, practical and affordable smart solutions to keep you in control and in touch with the pulse of your smart home from anywhere.

GoControl Smart Products work with most popular home control hubs to easily bring you the smart home security, smart home comfort and smart home control convenience that makes your busy life easier to manage.

GD00Z-4

GD00Z-5

Z-Wave Garage Door Controller
GD00Z-4 AND GD00Z-5 CONTROLLER

- Open or close a garage door from a 2GIG Panel or remotely*
- See garage door status
- Works with nearly all garage door openers

*remote control capability is back-end service dependent

Z-Wave Programmable Thermostat
GC-TBZ48

- Large, easy-to-read LED backlit display
- Pre-programmed for instant, energy-saving use
- Runs on 4 AA batteries and/or HVAC power
- Thin, sleek design
- Simplified installation

Z-Wave Plus Wall Mount Switch
WS15Z5-1

- Load: Incandescent; 600W maximum, 120 VAC
- Resistive: 15A (1800w) Max 120 VAC
Motor 1/2hp max, 120 VAC
- Range: Up to 130 feet line-of-sight between the wireless controller and/or the closest Z-Wave device
- Supports multi-tap scene control for up to 10 programmed scenes

Z-Wave Plus Wall Mount Dimmer
WD500Z5-1

- Load: Incandescent; 500w for installed light fixtures (Not for control of receptacles)
- Range: Up to 130 feet line-of-sight between the wireless controller and/or the closest Z-Wave device
- Supports multi-tap scene control for up to 10 programmed scenes

Z-Wave Plus 3-Way Wall Switch
WT00Z5-1

- Load: does not directly control a load. Another Z-Wave device is required.
- Range: Up to 130 feet line-of-sight between the wireless controller and/or the closest Z-Wave device
- Supports multi-tap scene control for up to 10 programmed scenes
- Creates multi-switch "3-way" circuits without the need of a traveler wire

Z-Wave Plus Single Wall Outlet
WO15EMZ5-1

- Load: Incandescent; 600W maximum 120 VAC
- Resistive: 15 amps (1800 watts) maximum, 120 VAC
- Tamper Resistant
- Range: Up to 130 feet line-of-sight between the wireless controller and/or the closest Z-wave device

Z-Wave Plus Plug-in Lamp Dimmer Module
PD300EMZ5-1

- Load: Incandescent; 300W maximum, 120 VAC
- Range: Up to 130 feet line-of-sight between the wireless controller and/or the closest Z-Wave device
- Energy Monitoring reports energy usage
- Does not impede second outlet
- Compatible with most LED and dimmable incandescent light bulbs

Z-Wave Plus Plug-in Appliance Module
PS15EMZ5-1

- Load: 15A for control of light duty appliances
- Range: Up to 130 feet line-of-sight between the wireless controller and/or the closest Z-Wave device
- Energy Monitoring reports energy usage
- Does not impede second outlet
- Integrated night light

Dimmer Color Change Kit
TRIM RING COLOR KIT-DIMMER

- Change color of Wall Mount Dimmer to Almond, Black, or Brown
- Use with the following dimmers: WD500Z5-1

PART NUMBERS

- WDKIT-BK Black
- WDKIT-BR Brown
- WDKIT-AL Almond

Switch Color Change Kit
TRIM RING COLOR KIT-SWITCH

- Change color of Wall Mount Switches to Almond, Black, or Brown
- Use with the following switches: WT00Z5-1, WS15EMZ5-1

PART NUMBERS

- WTWSKIT-BK Black
- WTWSKIT-BR Brown
- WTWSKIT-AL Almond

Panel Kits

Whether you're looking for tools to complete a hardwire takeover or to create a desktop mounting solution, we've got you covered.

e

TS1 Desktop Kit
2GIG-TS1-DESK

- Allows keypad to sit at two different viewing angles
- Sleek form factor
- Bumper pads to protect furniture and prevent sliding
- Works with any TS1 keypad

Control Panel Desktop Kit
2GIG-CP-DESK

- Allows panel to sit at two different viewing angles
- Sleek form factor
- Bumper pads to protect furniture and prevent sliding
- Works with any GC2/**GC2e** or GC3/**GC3e** panel

Hardwire Conversion Kit for GC2 Panels
2GIG-TAKE-KIT1

- 2GIG-TAKE-345 — 2GIG Super Switch Wireless Takeover Module
- ABS Plastic Wall-Mount Enclosure
- Power Supply Board
- Grounded Plug-in Transformer
- Works with any GC2/**GC2e** or GC3/**GC3e** panel

Accessories and Radios

Get the best home security and control experience with 2GIG Radios and Accessories.

Our radios provide better support for cellular connectivity of smart home devices while improving remote control experiences, and our accessories are here to enhance your system's performance giving you true reliability and peace of mind.

2GIG-LTEV1-A-GC2 LTE Verizon Alarm.com

- Compatible with Alarm.com
- Works on Verizon network
- US Only
- GC2/GC2e

2GIG-LTEA-NET-GC2 LTE AT&T SecureNet

- 4G LTE cellular module
- Compatible with SecureNet
- Works in USA/Canada
- GC2/GC2e

2GIG-LTEV1-NET-GC2 LTE Verizon SecureNet

- Compatible with SecureNet
- Works on Verizon network
- US Only
- GC2/GC2e

2GIG-LTEV1-A-GC3 LTE Verizon Alarm.com

- Works with Verizon Network
- Compatible with Alarm.com
- US Only
- GC3/GC3e

2GIG-3GTLX-A-GC2 3G Telus Alarm.com

- Compatible with Alarm.com
- Works on the Telus network
- Canada Only
- GC2/GC2e

2GIG-LTEA-A-GC3 LTE AT&T Alarm.com

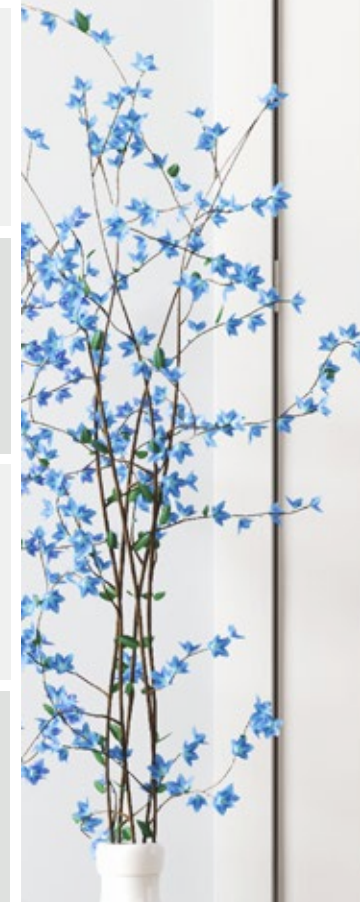

- Works with AT&T Network
- Compatible with Alarm.com
- USA and Canada
- GC3/GC3e

2GIG-LTEA-A-GC2 LTE AT&T Alarm.com

- 4G LTE cellular module
- Compatible with Alarm.com
- Works in USA/Canada
- GC2/GC2e

2GIG-3GTL-A-GC3 3G Telus Alarm.com

- Compatible with Alarm.com
- Works on the Telus network
- Canada Only
- GC3/GC3e

2GIG-ANT5XL-GC3 LTE Attic Antenna for GC3

- 10-foot coax cable
- Compatible with LTE Network
- Plugs into GC3 cell radio SLED
- GC3/**GC3e**

2GIG-ANT3X External In-wall Cell Radio Module Antenna

- Compatible with CDMA, GSM, 3G Networks
- 10-inch cable
- Antenna installs in control panel or in wall behind panel
- Plugs into the cell radio module
- GC2/**GC2e**

2GIG-ANT5XL-GC2 LTE Antenna for GC2

- 10-foot coax cable
- Compatible with LTE Network
- Antenna installs in control panel or in wall behind panel
- Plugs into the cell radio module
- GC2/**GC2e**

2GIG-UPCBL2 Firmware Update Cable for GC2

- Quickly and easily update the GC2 or TS1 without incurring the OTA update charges from a remote services provider
- Includes a 4-pin adapter for early TS1 models
- GC2/**GC2e**

2GIG-UPDV Easy Updater for GC2 Panel

- Quickly and easily update GC2 or **GC2e** Security Panel or TS1 without a computer or incurring OTA charges
- English firmware preloaded

2GIG-DREC2-319 319/345 MHz Dual Receiver

- Accepts up to 60 wireless devices
- Interlogix-compatible 319MHz wireless protocol
- Not compatible with eSeries sensors
- Easy to install into any GC2/**GC2e** Security Panel

2GIG-XCVR2-345 900MHz Transceiver

- Enables bi-directional communication with the Wireless Touchscreen Keypad
- Not compatible with eSeries sensors
- Easy to install into any GC2/**GC2e** Panel

2GIG-AC1 Replacement Power Supply

- High efficiency switching power supply
- Terminal screws for wiring
- 120 VAC @ 60 Hz input
- 14 VDC @ 1700 mA output
- GC2/**GC2e** or GC3/**GC3e**

2GIG-XCVR3-GC3 Image Sensor Adapter

- 900MHz Transceiver
- Enables bi-directional communication with IMAGE3
- Easy to install in any GC3/**GC3e** Panel

2GIG-BATTERY-GC3 GC3/SP1 Replacement Battery

- Li-Polymer, 3.7 V, 2,500 mAh
- 3,700 mAh capacity
- Operating Voltage range 2.9 to 4.2 VDC
- GC3/**GC3e** and SP1

2GIG-AC3-INTPLG International Power Supply

- High efficiency switching power supply
- 10 foot cable with barrel connector
- 4 International blades (IEC Type A, C, I and G)
- 100-240 VAC @ 50/60 Hz input; 14 VDC @ 1,700 mA output
- GC2/**GC2e** or GC3/**GC3e**

2GIG-GC2e-FP-20pk Blank face plate for GC2e

- Blank, print-ready face plate for customer logo
- Pack of 20 faceplates

2GIG-BATT2X Extended Battery Pack for GC2

- Optional extra capacity battery
- Replaces standard internal control panel battery
- Required for UL985 fire warning system listing
- GC2/**GC2e**

2GIG-LAN-GC3 GC3 LAN Module

- RJ45 Ethernet Module
- Easily installs into any GC3 Panel
- Compatible with Alarm.com
- 10 Mbps/100 Mbps
- GC3/**GC3e**

2GIG-AC2-PLUG Replacement Power Supply

- High efficiency switching power supply
- Barrel connector
- 120 VAC @ 60 Hz input
- 14 VDC @ 1700 mA output
- GC2/**GC3e** or GC3/**GC3e**
