

6460S Custom Alpha Keypads

Build Your Brand and Differentiate Your Business from the Competition

6460W version

With its customizable logo, negative-etched keys and stylish silver and black housings, The Honeywell Home exciting 6460 Series Custom Alpha Keypads are a great way to help you build your brand and win new business!

- **Sleek, Stylish Designs:** This stylish silver and black color combination 6460S is ideal for numerous residential and commercial applications, including kitchens with stainless steel appliances, home theaters, garages, warehouses, industrial settings and more. A version in white and gray (6460W) is also available.
- **Customizable Logos:** You can order a special version of the keypad emblazoned with your company logo. It's a great way to stand out and promote your business!
- **Vibrant, Negative-etched Keys and Negative Mode Display:** Provides greater contrast—making keypads easier to operate and read
- **Family Look:** Blends with 6271C TouchCenter keypad family for a seamless look in any home or business
