

Universal Mounting System (UMS)

The patented Universal Mounting Plate and tape offer versatile options for mounting smart components.

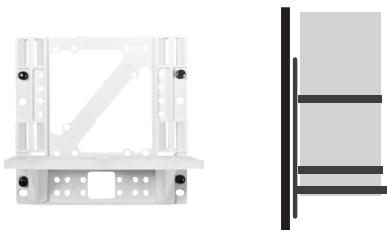

Rail Mounting System (RMS)

The patented adjustable Rail Mounting Plate and brackets offer quick and easy installation of smart components. Available in 7" or 10".

Shelf Mounting System (SMS)

The Shelf Mounting System provides a stable, secure platform for oversize and heavy smart components.

PRIMEX NOW OFFERS THREE WAYS TO MOUNT COMPONENTS IN SOHO PRO™ MEDIA PANELS

Primex offers a selection of mounting systems and accessories for your smart home that allow for pre-mounting of components and plug-and-play installation.

Reduce in-home time by quickly and easily mounting a whole range of smart components within a Primex SOHO Pro™ Media Panels for an efficient, tidy installation.

Q&A

WHAT IS THE DIFFERENCE BETWEEN THE THREE?

The Universal Mounting System utilizes special mounting tape that can be easily attached and removed. The Rail Mounting System uses a series of brackets that are easily adjusted for a wide range of components. The Shelf Mounting System provides a stable, secure platform for oversize and heavy components.

WHY THREE SYSTEMS?

The three systems offer flexibility when it comes to mounting components. They provide different approaches to solving a common challenge.

WHAT PRODUCTS DO THEY WORK WITH?

All systems work with the P2100, P3000, P4200, and P6300 Media Panels.

HOW ARE THEY SOLD?

Primex offers these items separately as accessories to suit your individual needs.

WHEN ARE THEY AVAILABLE?

Available now. Ask your Primex Sales representative for more information.
