

Telescopic Box Mounting Bracket

The B-Line series telescopic box mounting bracket from Eaton is a complete, easily adjustable and quick solution for mounting electrical boxes between the studs in drywall applications. The bracket features a unique flange end that can mount multiple box depths beyond the standard. The bracket has increased rigidity to help withstand drywall installation.

- Completely adjustable; fits a large range of stud spacings and box depths
- Pre-punched screw holes provide for easy box installation
- Bar is marked with scale for stud spacing
- Flanged end can be cut and bent to mount multi-gang boxes
- Finish; pre-galvanized

			Metal Stud Spacing	
12568569	BB2-16T		(275mm - 450mm)	50
12568610	BB2-24T		(400mm - 600mm)	50

Increased rigidity through centre groove design

Only 2 screws required to mount for 38mm (1½") and 54mm (2¼") box depths
