1. Strip approximately 1.50" of cable jacket and separate wires.

2. Choose between USOC or UTP wiring configuration.

USOC

UTP Wiring

1	White
2	Black
3	Red
4	Green
5	Yellow
6	Blue

1	White/Green
2	White/Orange
3	Blue
4	White/Blue
5	Orange
6	Green

3. Sort wires and place into the IDC.
4. Terminate wires using the cap or Punch-Down Tool.

Cutting edge
Use cap with pliers or channel lock
