Features and Benefits

- Slide out tray with front and rear metal covers

- Front and rear openings designed to allow room for easy cable access and exit and also helps minimize cable build up

- High quality material and folded edge design allow for strength and durability

- LGX® Compatible

- Designed to fit all standard 19" racks and cabinets

- Holds six ICFOP fiber optic adapter panels or ICFCxxxxx MPO Cassette

- Accepts three ICFOSKFM12 splice trays

- Transparent front window for visibility that allows monitoring and troubleshooting with enclosure closed

- 2 Rack Mount Space
