# 14"Plastic Net Media Center Combo with 8 Port Voice & Data
## Package Include:

A.  14" Plastic Net Media Center Box, **1 Piece**

B.  Net Media Center Plastic Cover, **1 Piece**

C.  Cardboard Protective Cover, **1 Piece**

D.  CAT 6 Module, Data, 8-Port, **1 Piece**

E.  Telephone Module, 8-Port w/ RJ31X, **1 Piece**

F.  6-18 x 3/4", Nickel Plated, Pan Head Phillips, Self-Tapping Screw, **4 Pieces**

G.  10-16 x 1" Zinc Plated, Flat Head Phillips, Wood Screw, **4 Pieces**

H.  Wiring Location Sheet, **1 Piece**

I.  Installation Instructions Sheet, **1 piece**

## Features and Benefits

- Designed to serve as the central distribution point for voice, data, video, audio, and security services

- Internal modules can be mounted horizontally or vertically facilitating layout and wring of systems, while providing optimum cable management

- Works with connectivity modules with push and pull fasteners

- Snap-in system enables users to quickly insert or move internal modules

- Includes 4 top, 3 bottom knockouts for routing cables and 4 tie points

- Includes 2 knockouts for optional AC power outlets (Not included) to provide power distribution

- Build with ABS plastic, lightweight, and sturdy

- Fits between 16" studs or can be wall mounted

- Depth marks on the enclosure simplifies adjustment for drywall depths ( ½", 5/8",3/4")

- Enclosure is not designed to be installed in firewall applications

- The cover snaps on and can be screwed down

- Accommodates all of ICRESXXXXX residential modules

- Used with optional accessories including rubber grommets (ICRDSDCAC2)

- Complies with ETL, TIA-568-C, TIA-570-B, and TIA-607 standards
