NEW SANUS®
ON-WALL COMPONENT SHELF
Specially designed for use with mounted flat-panel TVs

Introducing the new SANUS VMA401 single accessory shelf. Featuring a slim profile, this shelf mounts directly under wall-mounted flat-panel TVs for a sleek, streamlined look, and its thick tempered-glass shelf can support up to 15 lbs. of AV equipment. The large center column features a cable management system to conceal cables and wiring, creating a clean and organized appearance. The VMA401 easily mounts to sheet rock, concrete or wooden studs, and micro-adjustments ensure the shelf is always at the perfect height. If additional shelving space is required, combine multiple VMA401 units for a customized solution.

VMA401 shown

All hardware included for easy mounting on sheetrock or concrete

Combine more than one VMA401 unit for a multi-shelf, customized solution

Integrated cable management system hides and organizes cables

Slim profile works well with mounted ultra-thin flat-panel TVs

Micro-adjustment feature ensures unit is at the perfect height

Thick-tempered glass can hold up to 15 lbs. of AV gear
