Control from anywhere

Peace of mind–delivered. Launch the myQ app to assure your garage door wasn't left open and close it with a tap of a button.

Always in the know

Everyone wants to know what's happening at home while you're away. With real-time notifications, you know every time your garage opens, closes or is left open.

Compatible accessories

MYQ-SGC1WLM

Smart Garage Camera
Adds streaming video and 2-way communication to the myQ app.

825LM

Remote Light Control
Plug in any lamp to control with a smartphone or garage remote.

827LM

myQ Remote LED Light
Easily mounts in minutes to provide light to any location in the garage.
