SSU-FASTTUBE

Lightweight Sectional Air Sampling Tubes for Duct Detectors

Benefits to YOU:

Reduce Inventory SKUs

- The new SSU-FASTTUBE fits all Space Age Duct Detectors: SL, SM, RT Series

Increase Revenue

- Never let a customer walk out without air sampling tubes because they don't know what size is needed - One pack will cover duct widths up to 8ft!

Easier to Manage

- Conveniently bagged with a hang tag for display adjacent to the detectors

Save Money

- One SSU-FASTTUBE kit will fit duct widths up to 8ft and extra sections can be saved and/or added to longer assemblies for wider ducts

Designed and Manufactured in the USA

- Like all detectors and accessories from Space Age!

Easier to Handle

- No more nicks and cuts from sharp, dirty metal edges on regular tubes
