

HS1501 Enclosure

HIGH SECURITY, INDOOR, CORNER MOUNT

Product Features

- Vandal Resistant
- Indoor, Corner Mount Applications
- All-Steel Construction
- No Exposed Mounting Hardware

The **HS1501** high security enclosure is designed for applications such as elevators, parking garages, classrooms, detention cells, etc., requiring maximum protection from vandalism. Designed to fit flush to the ceiling in a corner. An impact-resistant clear Lexan® window is a standard feature.

The **HS1501** is constructed of heavy gauge steel and will accept most CCD cameras with fixed focal length and varifocal lenses.

There is no exposed mounting hardware securing the enclosure to its mounting surface. Opening the enclosure can be accomplished only by removing the tamper-resistant screw from the bottom with the specially designed tool provided, eliminating the possibility of the enclosure being opened by unauthorized personnel.

TECHNICAL SPECIFICATIONS
