PROSERIES

Win More Customers.
Keep Them Longer.
Drive Profits.

Introducing PROSERIES platform, our ultimate smart security system.

With its innovative, modular design, ProSeries platform will excite your customers and grow with their needs, while offering you unprecedented efficiency in installation and service. Deliver a seamless experience combining professional security, smart home and "One-Go-All-Go" connected life safety solutions together. Designed by professionals, for professionals – ProSeries platform will help you win more customers, keep them longer and drive profits.

FEATURES & BENEFITS

Win More Customers

- Modular design means highly flexible, customizable solutions
- Powerful Smart Home capabilities, including Amazon Alexa voice control (PROA7 PLUS)
- One system for both residential and small-medium business customers

Keep Them Longer

- A future-focused, modular design increases retention
- Locks your sensors to protect your RMR
- Monitor your base for attrition risks

Drive Profits

- Choice of programming methods – local, web or mobile drive productivity
- Universal peripherals and end-user replaceable batteries and modules increase efficiency
- Remote system diagnostics, maintenance and "over the air" updates reduce truck rolls

WELCOME TO THE FAMILY.

ProSeries products offers unprecedented flexibility and the modularity you need to engage customers and grow seamlessly with their needs. It delivers simple takeovers and upgrades, "One-Go-All-Go" connected life safety solutions, and a perfectly consistent experience between hardware and software – helping you to win more customers, keep them longer and drive profits.
