Wireless Systems: ProSeries Security and Life Safety At-A-Glance

ProSeries products are a professional, next-generation security and life safety platform for residential and small business installations. With a modular design and seamless hardware and software, ProSeries offers an efficient, customized installation and a great user experience. It also features proven life safety, advanced smart home capabilities and technology that makes takeovers and upgrades easier than ever. The ProSeries platform helps you win more business, keep your customers longer and drive more profits.
