STI SELECT-ALERT SIREN/STROBE

STI-SA5500-R

STI-SA5500-B

STI-SA5600-G

KEY FEATURES

General Information

· Alerts to any unauthorized use, theft or vandalism of important devices, as well as unauthorized exits and entries.

· Alarm/siren offers 32 selectable sounds and volume control.

· Includes high intensity LEDs.

· 8 flash patterns.

· Speed selection (STI-SA5500 only).

· Three year guarantee against breakage of polycarbonate in normal use (one year on electro mechanical and electronic components).

Construction

· Durable, polycarbonate construction.

Installation

· Typical working properties of polycarbonate are -40° to 250°F (-40° to 121°C).

· Operating temperatures for SA5500 models -4°F to 104°F (-20°C to 40°C).

· SA5600 models -4°F to 140°F (-20°C to 60°C).

Electronics

· 12-24 VDC power supply.

· Round models battery backup. (battery not included)

Options

· Can be used as a cabinet alarm, door alarm, link with push button/switch or as a burglar alarm.

· Available with amber, green, blue, red, white, or clear (5500 only) lens.

PRODUCT OVERVIEW

Here is a highly effective way to alert to any unauthorized use, theft or vandalism of important devices, as well as unauthorized exits and entries. The combination of alarm and super bright flashing LEDs offers excellent protection for an array of circumstances as they draw attention in a hurry. The sirens and strobes will work in conjunction with push buttons, protective covers, as well as many other products.
