HUB™ SERIES HOLD UP BUTTONS

HUB™ Brand

Hold UP Buttons

USPs' HUB™ Brand Hold Up Buttons, have set the standard for quality throughout the industry. The switch is manufactured with gold, silver and copper for maximum conductivity and corrosion resistance, with a current rating of 10 Amps, and a voltage rating of 125/250 volts. Button Locating Ridges are a HUB™ exclusive. U.S. and World patents pending.

HUB2SDB Push On - Push Off

When you have an installation that requires a high quality button that is both visible and easy to access, the HUB2SDB POPO version of our HUBs is the perfect answer. The switch inside the case is manufactured with gold, silver and copper. Also, we require the highest standard of components and take the extra time to hand-assemble the units in the USA to assure reliability.
