

5828

Wireless Fixed English Keypad

A perfect add-on to any LYNX or residential VISTA system, the 5828 wireless keypad saves dealers valuable time by offering the quickest, easiest installation of a secondary keypad. The 5828 is easy and inexpensive to install, with no wires to run. It mounts anywhere—on walls, tabletops and counters—and provides the flexibility and convenience of operating the system from anywhere in the home

FEATURES AND BENEFITS

- No wires to run—lower installation time and labor costs
- Includes three AA batteries or optional AC power pack for “always on” operation
- Attractive white console blends perfectly with any décor
- Compatible with LYNX and residential VISTA systems (VISTA-10P, 15P, 20P and 21iP)
- Large, easy to use keypad with single button operation
- Contoured, removable door conceals soft-touch illuminated keys
- Optional desk mount
