

6151

FIXED-ENGLISH DISPLAY KEYPAD WITH AN INTEGRATED HARDWIRED ZONE

Honeywell's 6151 Fixed-English keypad with an integrated hardwired zone helps reduce install, material and inventory costs. This keypad is ideal for applications where you need to protect areas like a front door or foyer without incurring the costs of hardwiring that point back to the control panel.

FEATURES

- Fixed English display keypad
- One hardwired zone built-in
- Soft-touch rubber keys, continuously backlit for greater visibility
- Fully compatible with all VISTA controls
- Piezo electric sounder with audible beeps to indicate:
 - System status
 - Entry/exit delay
 - Other alarm situations
- System status displayed in fixed English
- No confusing blinking lights
- Four programmable function keys
- System functions clearly labeled
- Functions performed by just entering security code plus command
- White with removable door, blends with any décor
