ADA Compliant

UL LISTED

Options

Alarm Module Kit (ST-ALM01)
Deters malicious false alarms in locations such as schools, hospitals, transit facilities and other areas of mass congregation. Integral alarm module emits a piercing (104 dB ±3 dB at 1 meter) siren when cover is opened. The kit consists of an alarm module, 9V battery, a silencer key, and two mounting screws.

Weatherproofing Kit (ST-WPK01)
Includes a cover gasket and two conduit gaskets. For NEMA-3R weatherproof installation, combine Weatherproof kit with Backplate Kit (below).

Backplate Kit (ST-BKP01)
For mounting SENTRY covers to rough surfaces. The kit consists of a backplate, two screws with anchors.

Extender Kit (ST-XTR01)
Adds depth surrounding the manual pull station to cover stations with back boxes. Includes extender, two conduit block plates, and four screws with anchors.
