Durable PVC or composite construction with passive design (no battery) for long-term use

Available with magstipe for additional capabilities

External numbers and custom artwork available for easy identification

Custom programming (26-40 bit format)

Quick lead times and fast delivery

3-Year Warranty

Product Specifications

Dimensions:
3.37" x 2.125" x 0.033" (8.56 x 5.4 x 0.084cm)

Weight: 0.212 oz. (6g)

Frequency: 125kHz

Operating Temp.: -50° to 160°F (-45° to 70°C)

Materials and Features by Product #:

PVC
0E-9011MPN: Seq. matching, no slot
0E-9011MPH: Seq. matching, horizontal slot
0E-9011MPV: Seq. matching, vertical slot

PVC + Magstripe
0E-9031MPN: Seq. matching, no slot
0E-9031SPN: Seq. non-matching, no slot
0E-9031MPH: Seq. matching, horizontal slot
0E-9031MPV: Seq. matching, vertical slot

Composite
0E-9021MPN: Seq. matching, no slot
0E-9021SPN: Seq. non-matching, no slot
0E-9021MPH: Seq. matching, horizontal slot
0E-9021MPV: Seq. matching, vertical slot

Composite + Magstripe
0E-9041MPN: Seq. matching, no slot

Minimum order 100.
For orders over 500, confirm lead time with supplier.
Please note that all custom credentials are non-returnable.
