

STAINLESS STEEL SIREN

30 WATT, DUAL TONE

ADI
PRO

0E-STSTSIREN is a high output 30 watt, dual tone siren housed in a heavy gauge stainless steel cabinet with a hinged door. It is suitable for outdoor applications and harsh indoor environments. It produces a loud 120dB output at 12VDC. Steady or yelp tone is selectable. Tamper switches on the door and back of the unit protect against unauthorized access and removal.
