

TRIM PLATE FOR REQUEST-TO-EXIT DETECTORS

**ADI
PRO**

0E-TP trim plate facilitates precise and neat installation of 0E-RXD and 0E-RXDST request-to-exit detectors. It features durable ABS plastic construction and is color and texture matched to the detectors. While 0E-TP may be used with or without an electrical box, it is suitable for use with a single gang electrical box.

0E-TP

FEATURES
