EMERGENCY PHONE MOUNTS

ETP-SML – Lighted Surface Mount Accessory

Description

Talkaphone's ETP-SML Lighted Surface Mount Accessory is designed to surface mount any Talkaphone flush mount call station indoors or outdoors and to identify the location of a call station with lettering on both sides. The call station faceplate is also illuminated at all times for clear visibility during the night. The unit is constructed of durable stainless steel with a weather-protective hood.

Features

- Durable housing is suitable for mounting an emergency phone outdoors on a wall or a pole
- Emergency phone faceplate is illuminated at all times by an LED Panel Light
- Includes two removable internal panels for mounting additional devices, including model ETP-GSM cellular interface and a power supply
- Vandal-resistant stainless steel construction
- A variety of signage, graphics, and color choices are available
