

Portable 12,000mAh Dual-Port Mobile Power Bank USB Battery Charger with Auto-Sensing Charging Ports

MODEL NUMBER: **UPB-12K0-S2X2U**

Description

No more frantic searching for an AC power outlet when your mobile device's battery power is getting low. The high-capacity UPB-12K0-S2X2U 12,000mAh Dual-Port Mobile Power Bank is an ideal power solution when you're on the road or stuck somewhere without convenient electricity. The portable dual-USB battery charger weighs barely half a pound, and fits comfortably in your purse or backpack to keep your phone, tablet, e-reader, MP3 player, digital camera or other handheld device operating when you need it.

Just connect your devices to the UPB-12K0-S2X2U's USB-A ports using the included USB Micro-B cable and/or another cable suitable for your device. The devices will begin charging immediately. Press the on/off button to monitor the power bank's battery capacity via the easy-to-read LEDs and know how much charge is available.

The dual USB ports provide up to 5V 2.4A of power, so you can charge two devices at once. In addition, both ports benefit from auto-sensing technology that identifies how much amperage the connected device is designed to take and adjusts its charging accordingly.

The lithium-ion battery's hearty 12,000mAh capacity charges devices at maximum power draw for hours. It protects against short circuits, overvoltage, overcurrent, overcharges and overdischarges for safe, reliable charging. To charge the UPB-12K0-S2X2U, connect the USB Micro-B port to a USB charger or a computer's USB port using the included cable.

Features

Travel-Sized for Convenient Charging of Dual Devices Anywhere

- Compact form fits comfortably in your purse or backpack
- Ideal for charging up to 2 smartphones, tablets, e-readers, MP3 players and other handheld mobile

Highlights

- Dual USB-A ports provide up to 5V 2.4A of power
- Auto-sensing port adjusts amperage to match connected device

OVERVIEW	
Over Current Protection	Yes
OUTPUT	
Charging Ports / Amps	(2) 2.4A
Charging Method	USB
PHYSICAL	
Unit Dimensions (hwd / in.)	5.5 x 2.5 x 1
Unit Dimensions (hwd / cm)	14 x 6.4 x 2.5
Unit Weight (lbs.)	0.6
Unit Weight (kg)	0.27
Material of Construction	ABS
Color	Black
ENVIRONMENTAL	
Operating Temperature Range	32 to 113 F (0 to 45 C)
Storage Temperature Range	5 to 113 F (-15 to 45 C)
Relative Humidity	0% to 90% RH, Non-Condensing

CONNECTIONS	
Side A - Connector 1	MICRO-USB B (FEMALE)
Side B - Connector 1	(2) USB A (FEMALE)
Connector Plating	Nickel
Contact Plating	Nickel
CERTIFICATIONS	
Certifications	Tested to FCC, CE, ROHS
WARRANTY	
Product Warranty Period (Worldwide)	1-year limited warranty
