## IN-WALL CABLE KIT

HIDES POWER CORD AND CABLES

In-Wall cable kit makes hiding cables behind the wall safe & easy. Comes with a 10' in-wall cable so you can place wireless speakers at the ideal height in the home. Route AV & power cables behind the wall to add the finishing touch to the project. Grommets are paintable to blend into existing decor. Simple installation: Allows for neat and easy installation in under 30 minutes with no electrician or hard wiring involved. All parts and tools needed for installation are included in the kit, including a pre-wired power cable. Kit Includes: 2 power grommets, 10' in-wall cable, 6' power cord, drill bit and hole saw.
