

Forward Family

Vertical Lace & Power Management

Forward Vertical Cable Management and Power Bracket install in seconds by simply dropping into the slots on Lever Lock™ rackrail brackets. Since the slots are continuous front to back you have ultimate flexibility for mounting locations.

features:

Vertical Lace

- Drop-in installation into Lever Lock™ compatible rackrail brackets
- Mounting flexibility front to back along multiple rackrail bracket styles
- Includes all hardware needed for any Middle Atlantic Products rackrail bracket style

Universal Power Bracket

- Drop-in installation into Lever Lock™ compatible rackrail brackets
- Mounting flexibility front to back along multiple rackrail bracket styles
- Accepts any button mount style power strips (Raritan, ServerTech, etc.) as well as the PDT Family, PD Family and MPR Family
- Durable flanged steel construction
- Includes all hardware needed for any Middle Atlantic Products rackrail bracket style (except SNE)

specifications:

Forward Family vertical cable management/power mounting shall be Middle Atlantic Products model # FWD-____ refer to chart. Forward Family vertical cable management/power mounting shall be finished in black powdercoat and mount in a tool-free manner or with hardware (refer to drawings). Forward Family vertical cable management/power mounting shall accept ____ (Forward Family cable management accessories, Button-style mount power strips, refer to chart.) Forward Family vertical cable management/power mounting shall be ____" H x ____" W x ____D" and compatible with ____ racks (refer to chart). Forward Family vertical cable management/power mounting shall be manufactured by an ISO 9001 and ISO 14001 registered company. Forward Family vertical cable management/power mounting shall be warranted to be free from defects in material or workmanship under normal use and conditions for the lifetime of the product.
