

Nest Doorbell (battery)

See who's there. No wires required.

View anything at your door

- See what's happening **24/7** and answer it from anywhere.¹
- See people from head to toe, or boxes on the ground, with **3:4 aspect ratio** taller field of view.
- **Alerts** distinguish between **people, animals, packages, or vehicles**.¹
- **Talk and Listen** to visitors at your door, or leave quick **pre-recorded responses**.¹
- **HDR** helps with bright, high-contrast sunlight, and **night vision** provides a clear image even in low light and darkness.
- **Up to 3 hours** of free event video history.²
- Define **Activity Zones** to get notified when something happens there.¹

Install in any home

- **Battery-powered** video doorbell that works with any home.
- **No wires**, so you can install it yourself, and put it at the vantage point that works best for your door.
- Connect to **existing doorbell wires** to avoid recharging and continue to hear your **existing doorbell chime**.³
- If there's a power outage or Wi-Fi goes down, the Nest Doorbell automatically records important events for **up to one hour** in local memory.⁴
- Comes in a range of **colors** to make any doorstep more stylish.

Customize anytime

- Add a **Nest Aware subscription** at any time to get up to **60 days of video history** and **familiar face alerts**.^{5, 6}
- Wherever you are, **get notifications through the Google Home app** when someone rings the doorbell.¹
- Works with other Nest products. Hear chimes and announcements on **Nest Mini**, see who's there with **Nest Hub (2nd gen)**.¹

¹ Some features, including mobile notifications, remote control, video streaming, and video recording, require working internet and Wi-Fi.

² Up to 3 hours recording. Learn more at g.co/nest/3hours.

³ Requires 8 to 24V VAC, 10-40 VA transformer.

⁴ Learn more at g.co/nest/cam-mem.

⁵ Nest Aware subscription required (sold separately).

⁶ Familiar face alerts require a Nest Aware subscription (sold separately). Familiar face alerts not available on cameras used in Illinois.

⁷ The 911 emergency feature requires Nest Aware subscription (sold separately). This feature is dependent upon network connectivity and other factors, and may not be available in all areas. Wireless devices may not be reliable for emergency communications. The 911 feature will connect you with the 911 call center covering the home address you provide during setup of this feature.

⁸ This does not include plastics in printed circuit boards, labels, cables, connectors, electronic components and modules, optical components, electrostatic discharge (ESD) components, electromagnetic interference (EMI) components, films, coatings and adhesives.
