

Double-Ended Coax Stripper

P/N 15020C

Quickly and easily strips a broad range of coax cables in a single step without any adjustments. The blades are designed to produce the standard 1/4" braid, 2-level strip for compression connectors.

- Works with RG-7/11/213/8 and RG-59/6/6 Quad cable types
- Quickly and easily remove the cable jacket and inner conductors in a single step
- Control the cutting depth by the number of rotations made around the cable
- Preset, no adjustments required
- Compact, lightweight and simple operation
