

**C2G**  
**25ft (7.6m) C2G Performance Series Premium High Speed HDMI® Cable - 4K 60Hz In-Wall, CMG (FT4) Rated**  
Part No. CG-C2G50196

The C2G Performance Series Premium High Speed HDMI Cable supports all HDMI 2.0 features and has been tested to conform with the Premium HDMI Cable Certification Program for highest performance and ultra-reliability. This cable is ideal for HD Blu-ray and HD DVD video, experiencing resolutions up to 4k (4096 x 2160) at 60Hz, bandwidths up to 18Gbps, HDR for higher contrast ratios and vivid colors, plus 32 uncompressed digital audio channels to provide crystal-clear sound — perfect for home theater applications or digital signage.

This Premium High Speed HDMI Cable was designed to exceed the highest measure of HDMI performance and will enhance video experiences with higher resolutions, increased speeds, and sharper images. They include integrated finger grips on the top, bottom, and sides, for easy insertion and removal, and the gripping connector shell has 2x greater port retention to keep your devices connected. The gold plated connectors on the cable allow for better shielding, increased electrical conductivity, and durability.

This Premium High Speed HDMI Cable has been tested to deliver the full 18Gbps bandwidth required by the specifications for Premium High Speed HDMI certification. The cable also supports the updated library of Consumer Electronic Control (CEC) commands, allowing communication between devices connected through the HDMI ports. Lastly, this fully-functional, high bandwidth cable is backed by a lifetime warranty.

## Features & Benefits

Tested to conform with the Premium HDMI Cable Certification Program for highest performance and ultra-reliability

In-wall (CMG/FT4) rated jacket, so you can safely run the cable inside of a wall and have a clutter free, clean look

Gripping connector shell for 2x greater port retention

Supports CEC extensions for control of consumer electronics devices through a single control point

Supports all HDMI 2.0 features including resolutions up to 4K (4096 x 2160) at 60hz 4:4:4, which means higher quality video for viewing your screen content

Integrated finger grips on the connectors for easy insertion and removal

Gold plated connectors for increased electrical conductivity and enhanced durability

Backed by a Lifetime Warranty for peace of mind

## Specifications

### General Info

Product Line	C2G	Color	Black
UPC Number	757120501961	Country Of Origin	China
Features	Gripping Connectors	Application Sector	Residential, Commercial
Type	Cable		

### Dimensions

Cable Length	25 ft
--------------	-------

### Additional Information

Prop 65 Warning Required	Yes	Prop 65 Warning Language	Cancer and Reproductive Harm
--------------------------	-----	--------------------------	------------------------------

### Technical Information

Jacket Material	PVC (Polyvinyl Chloride)	Video Resolution	4K 60Hz, 4K 30Hz, 4K, 1080p
Bend Radius	100 mm	Cable Type	High Speed HDMI, Video, Premium HDMI
Jacket Rating	CL2-Rated, CMG (FT4) Rated	Data Transfer Rate	18 Gbps

---

Adapter Rear	HDMI Male	Adapter Front	HDMI Male
Operating Temperature	-20 C, 75 C	Storage Temperature	-10 C, 55 C

---
