

The HDMI Pass Through Single Gang Wall Plate is perfect for the transition to in-wall cabling. This solution offers a clean, professional look and is ideal for classrooms, conference rooms and houses of worship.

**Convenience**

The HDMI pass through port includes a thin, flexible HDMI pigtail that accommodates the tight bend radius required for installations within a standard junction box.

**Durability**

Constructed of high quality aluminum, this wall plate is designed for durability and a long life in commercial environments where constant wear and tear causes damage.

## Features & Benefits

Supports HDMI audio/video signals

Flexible HDMI pigtail for easy installation in a wall box

Compatible with a standard single gang wall box

## Specifications
