C2G

1000ft (304.8m) Cat6 Bulk Unshielded (UTP) Ethernet Network Cable with Solid Conductors - Riser CMR-Rated (TAA Compliant) - Gray
Part No. CG-56018

This riser rated Cat6 cable is perfect for creating custom length horizontal network cable runs. This cable offers an exceptional value for jobs that require standards compliance at a cost-effective price and meets all of the ANSI/TIA-568-C.2 specifications. It also offers other features that make it easier to use, save on installation time and expense, and ensure product quality during the installation. This cable features markings in feet and meters, which marks the exact amount of cable remaining in the box, and a wide opening for the payout design, which reduces tension on the wire as it is pulled during installation.

Features & Benefits

Riser, CMR-Rated jacket	Meets ANSI/TIA-568-C.2 specification
Foot and Meter marked to show the amount of cable left in the box	Alpha numeric code printed every 2 feet for easy identification of cable runs

Specifications

General Info

Product Line	C2G	Color	Gray
UPC Number	757120560180	Country Of Origin	United States
Features	Solid Conductors, PoE (Power Over Ethernet)	Application Sector	Residential, Commercial, Industrial
Type	Cable		

Dimensions

Cable Length	1000 ft

Additional Information

Prop 65 Warning Required	Yes	Prop 65 Warning Language	Cancer and Reproductive Harm

Technical Information

Jacket Material	PVC (Polyvinyl Chloride)	Wire Gauge	23 AWG
Cable Type	Ethernet Patch Cable, Unshielded (UTP)	Jacket Rating	Riser CMR-Rated
