

2U IP Camera Recorder IP Cameras and Encoders

All-in-One Solution

Video recording, web/mobile client hosting, and local live video display from the same server.

Unlimited Scalability

Pre-loaded with whether IVTVision, STORM or Arkiv video management system(VMS) software. Easily add additional IP camera licenses and change out cameras. Add unlimited additional servers for greater capacity or dispersed geographic location. Manage individual systems from the same user interface or upgrade to your VMS software to easily manage multiple servers simultaneously.

Enterprise-Class Storage

Up to 24 TB of storage per server using continuous duty enterprise-class drives.

Cross-Compatible Local, Remote and Mobile User Interfaces

Access live and recorded video on multiple client PCs with free Windows or Mac client application. IP web server application is pre-installed on the server to access video through a web browser or free Mobile iPhone/iPad and Android apps.

3-Year Hardware Warranty, 3-Year Software Subscription Agreement (SSA)

3-year hardware warranty and SSA included.

Technical Specifications
